*Friends make up a very special part,
Of memories kept deep down in the heart,
They add a unique touch of class,
And make our high school years quickly pass.*

“Touch of Class”

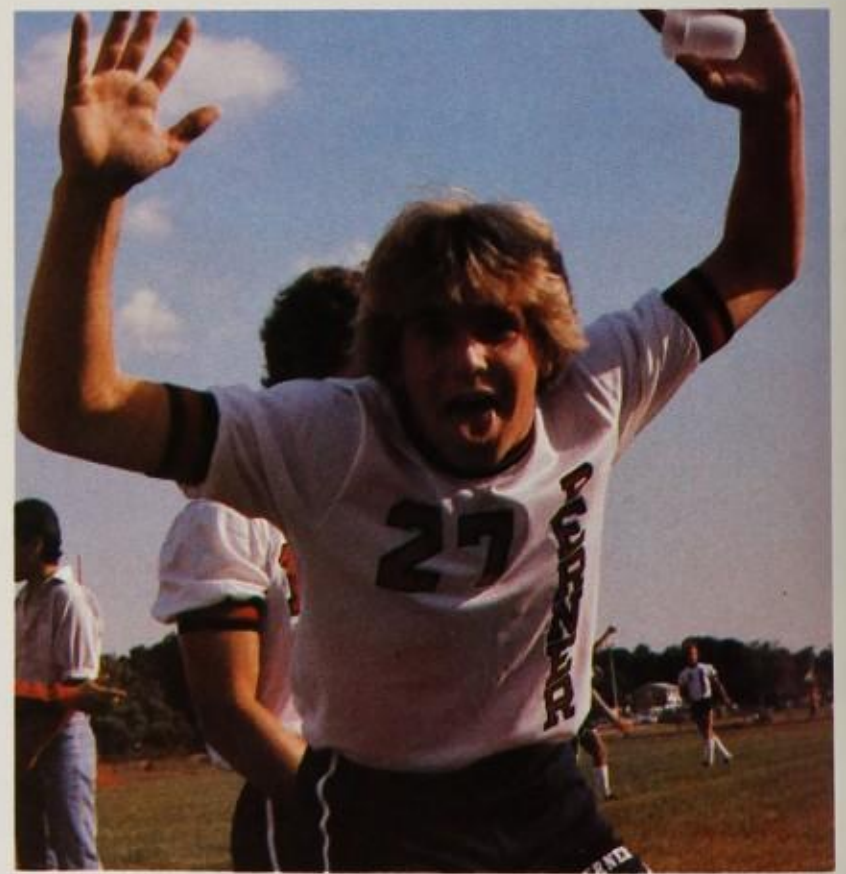

*Our special touch of class is never
lost
Our pride cannot be beat*

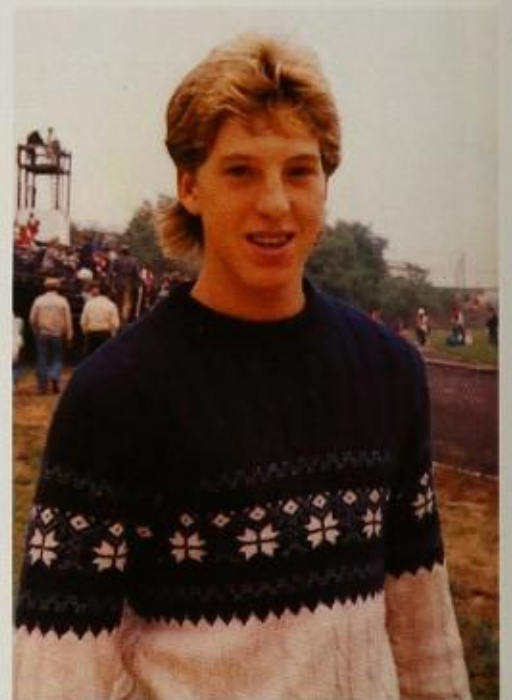

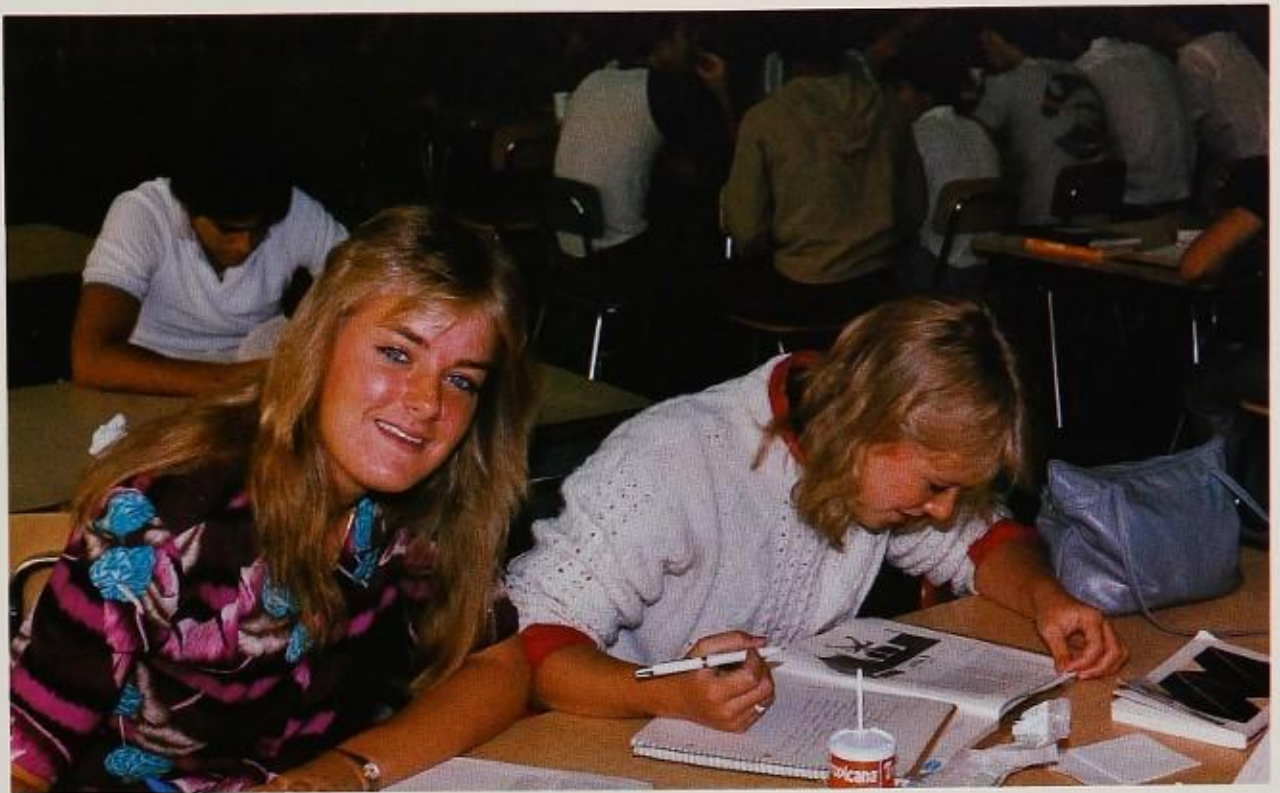

*We hold our heads high with victory
And fall gracefully with defeat.*

*It takes just a little thing to brighten up a day
Like a smile on a happy face, a touch of class in its own way.*

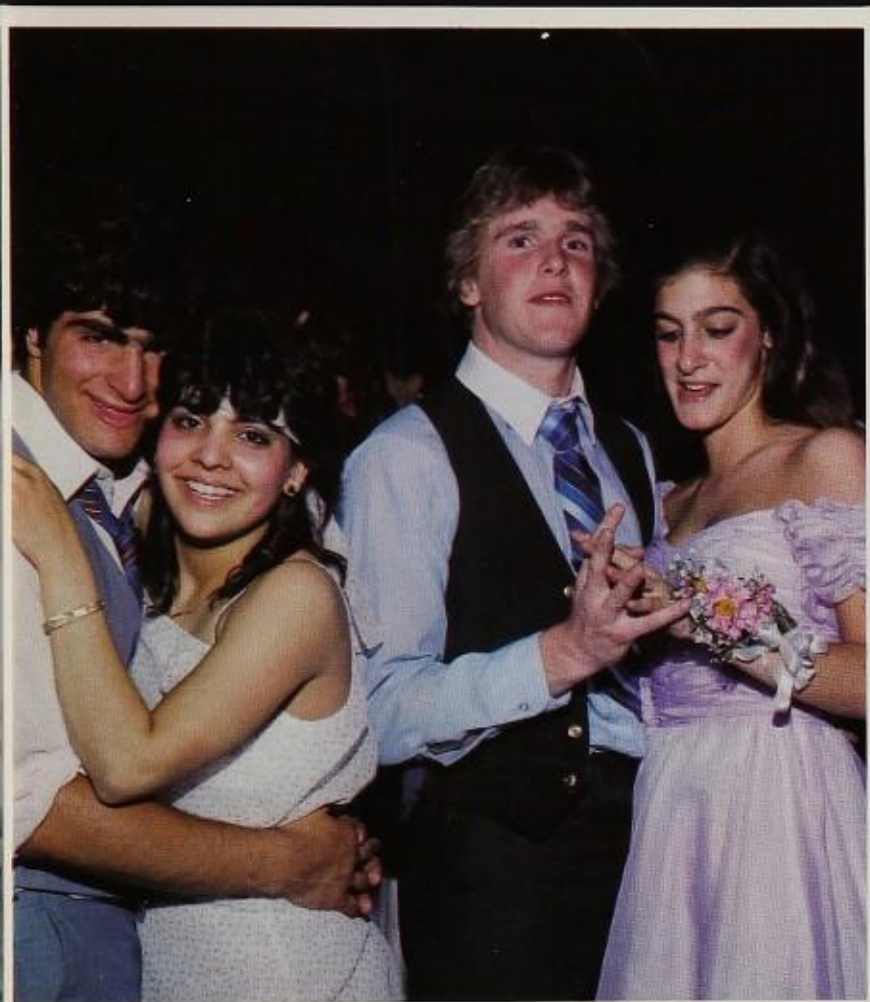

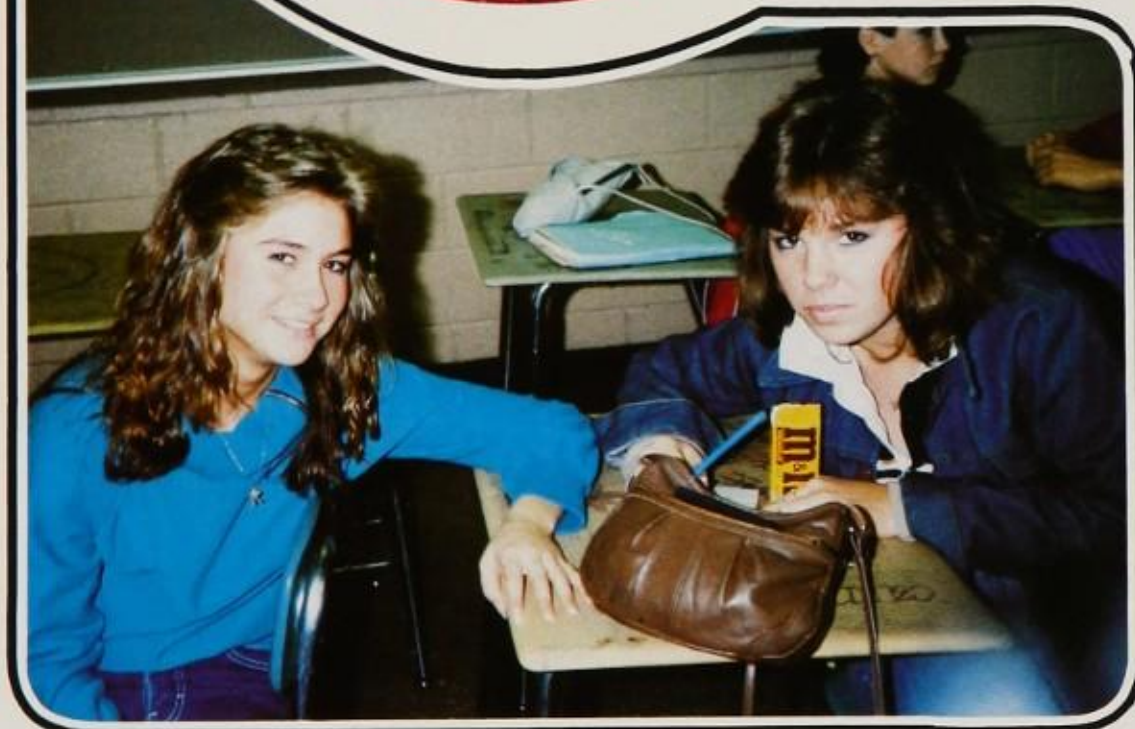

*We give each other
Hoping to enjoy times like this*

*The Class of
Nineteen hundred and eighty-four
of
Alfred G. Berner High School
requests the honor of your presence
at the
Junior Prom "Wonderful Tonight"
Thursday, evening, the nineteenth
of May
from eight-thirty until one-thirty
o'clock
to be held at
The Huntington Town House

Semi-Formal*

ories, for a lifetime they will last.
in the future with high school
friends from the past.

*When one is needed, a true friend is always there.
Special friends are faithful always, showing that they care.*

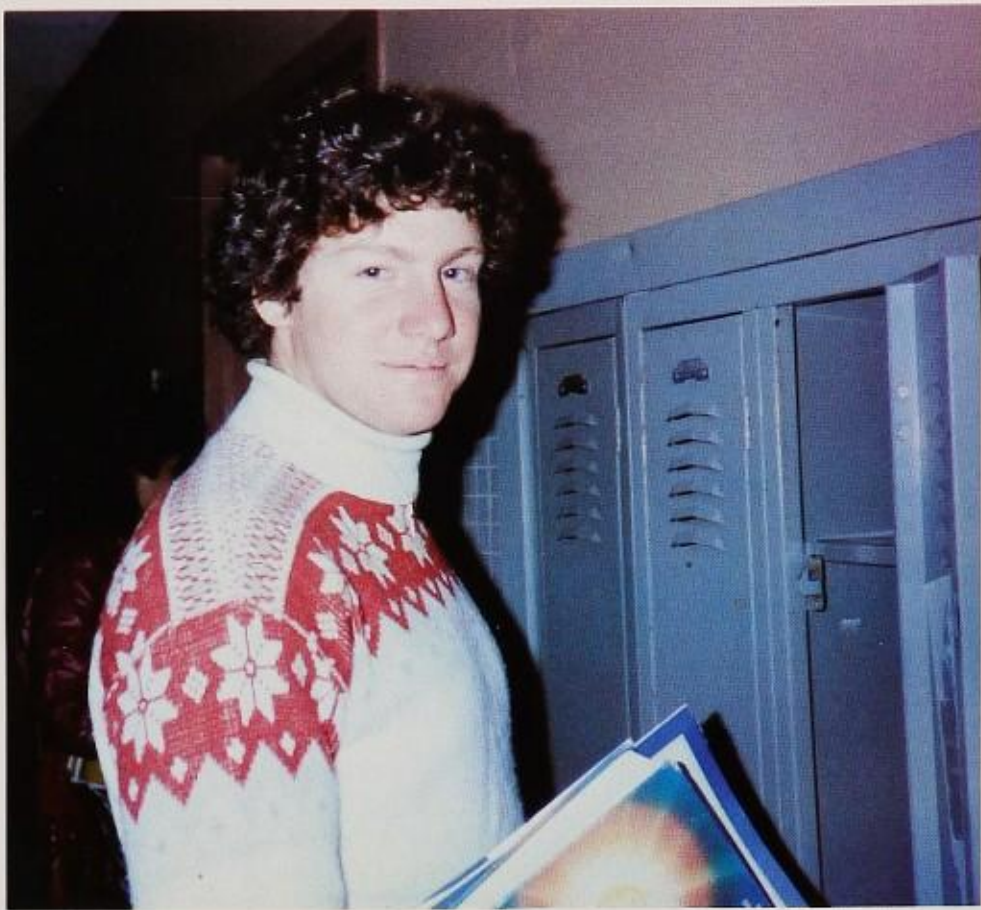

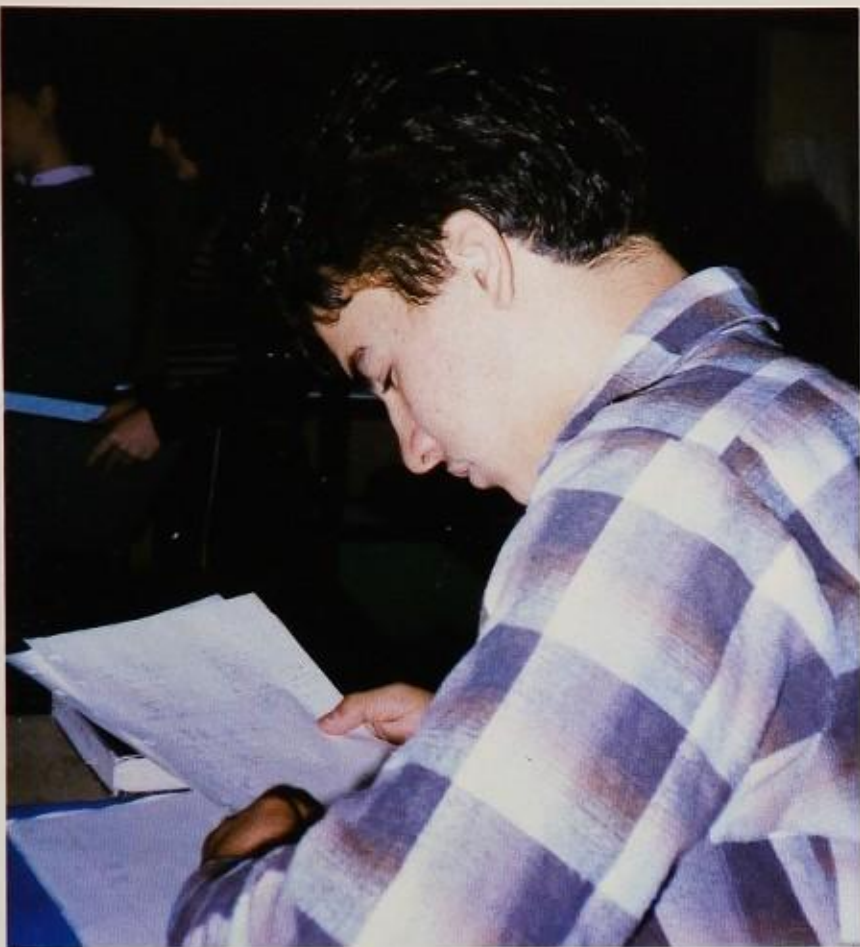

*Look around and see how the world moved, much changed and grew.
We are not the little boys and girls anymore, that everyone thought they knew.*

*As classmates and friends we shared a touch of class which makes us bind.
This is what we shall remember when we recall high school in our minds.*

*A touch of class unites us in a very special way — united in the memories
of yesterday and the adventures of today. . . . by Natalie Comens*

Faculty

Principals

The Berner High School Class of 1984 has distinguished itself in all aspects of school life. Individually the class members have demonstrated self-respect, drive, and determination. Collectively, these attributes have resulted in the development of a fine productive class.

Your academic, athletic, and social accomplishments have been remarkable, always done as your Wisanda Theme indicates, with a "Touch of Class."

Despite "Munchkin" Size Bisons Are Big in Wins

Bottom Left: Senior running back Vinnie Kaye breaking a tackle and running for a touchdown.

Bottom Right: Seniors clowning around before a big game.

In a high school football preseason article, the Bisons were called "Munchkins" because of the size of the players. The Bison seniors finished in fourth place in their division with a winning five and three season, despite this misnomer.

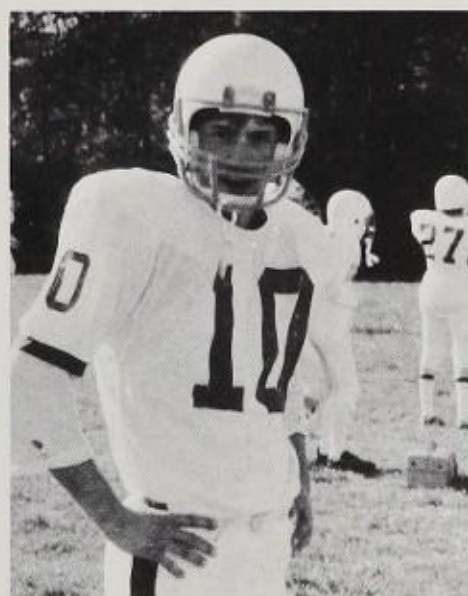

To the seniors on the team, the Berner-Pequa game was more important than usual because they knew that if they defeated Pequa, it would be the first time in their high school years that this was accomplished. The Bisons got their wish on October 29 when they defeated Pequa by a score of 23-15 on Berner's own field.

Coach Bob Dell, along with the rest of Berner High School wishes to congratulate All-County player John Dattero, who also was selected as an All-Conference player with teammate Joe Lizzio. The All-League players are: Joe Lizzio, John Dattero, Joe Lunz, Vinnie Kaye, Brian Miller, and Jim Beato. Other seniors who are to be congratulated for a fine season are: Keith Schilling, Joe Kelleher, Joe Castelli, Brian McGee, Andy Bentz, Mario Bowers, Charlie DiSanto and Jim Joblon.

Bisons Are Big in Wins

Hi Mom!

Berner's Junior Varsity team captured first place in their conference this season. With their talent and great inspiration this J.V. team will make a great varsity squad in the future.

Hard Work and Determination Proved Berner Girls Are Mighty Fine

MAN Y

1985 FPG

After losing ~~five~~ seniors last year, the outlook for the ~~1983-1984~~ team was not hopeful. To many people's surprise, but not to the girls, the team was very successful. With ~~four~~ returning players from the varsity team and ~~five~~ from the junior varsity, the girls took their skill and hard work and made them into an encouraging team. Under the coaching of Dot Mayorga, the girls started their season in late August with very strenuous tryouts. The hard work paid off when the team compiled a 6-6 league record.

Seniors Maureen Nolan, Madeline Petrizzi (captain), Flo Soviero (captain), Joyce Primm, and Ann Fargione led the team to two very close games against Pequá, the Conference leaders. Maureen's consistent serving and spiking, along with Flo's setting and Madeline's bumping, showed what is meant by "Senior Power." Karin Wilinski was the team's All Division player.

All of the girls worked extremely hard during the season and proved the Berner Girls are Mighty Fine!

Berner Girls Make History

Varsity Clinches N.Y. State "Class A" Title

This year, the Alfred G. Berner High School Girls Varsity Soccer Team won its fourth consecutive Nassau County Section VIII Championship, its third Long Island Championship, and its first New York State Class "A" Title.

During the regular Fall season, the team recorded 15 wins, 1 loss, and 1 tie. In the County Playoffs, the Bisons defeated Farmingdale (2-0), Port Washington (1-0), and beat East Meadow (2-0), for the Nassau County Championship. For the third consecutive year, the team won the New York State Southeast Regional Long Island Championship by defeating Northport High School (1-0), in a shootout. The team then advanced in the state tournament and secured the State Eastern Regional title by overwhelming Washingtonville High School (5-0). The team then traveled to Cortland, where it triumphed over East Syracuse Minoa High School (3-0), for its first New York State Public High School Class "A" Championship.

During the season the team scored an astounding 118 goals and gave up only 6. The team's record at the end of the season was 21 wins, 1 loss and 1 tie.

Leading the team to its victorious season were All American and All County player Jean Varas, All County players Dawn Carboni and Kristen Moller. Along with All American League players Judy Allstadt, Sue Cately and Pat Levey, All Conference players Kristen Davi, Debbie Laske, Jean Lucich, Maureen O'Connor and Denise Young are to be congratulated for an outstanding season.

Team Spirit Prevails Girls Cross-Country Places 3rd in Conference

This year's girls cross-country team though small provided for a successful season. The girls placed sixth in the county and third in their conference. They took part in the St. Anthony's Invitational and also the Teddy Roosevelt Meets. Their thorough workouts sometimes included ten miles a day.

All-Division Champs were Colleen Cooke, Tina Donohoe, Andrea Hamula, Diane Attenburger, and the All-Conference selection was Tina. Patty Zicari, Chris Boran, Janine Radomski, and Karen Matulonis were all great inspirations for each other as well as contributors to their team's triumph. They had fun, but it was the hard work, determination, team spirit, and dedication of their coach, Mr. Trentowski, that led them to a 10-4 record. The team will be losing four seniors this year, Andrea, Janine, Chris, and Karen, but next year's prospects look good.

New Members Spark Effort Team Makes County Playoff

The field hockey team surprised itself by achieving great success which enabled them to qualify for the first round of the playoffs. With only four returning starters, the season seemed bleak. However, the new team members added talent and performed well in difficult situations. The team learned the skills and rules necessary to play the game, which at first were difficult to comprehend.

Leading the team were senior co-captains Lisa Venturino (forward), and Suzanne Leonard (midfielder). Lisa Venturino and Suzanne Leonard were selected as All-County players. Suzanne was also selected as an All-Conference player.

Team includes:
Lisa Venturino, Theresa Prato,
Julie Owens, Suzanne
Leonard, Marianne Birney,
Debbie Yee and Laura
Pluschau.

Boy's Soccer Caps Year With Victory Over County Champs Team Has 13-4 Season

The 1983 Berner Boys' Soccer Team had another successful season as shown by its 13 wins, 4 losses, and 2 ties. Coach Chris Sweeney credited the team's success to the large number of seniors and the dedicated juniors. Proof that hard work leads to success was their victory over Hicksville, the County Champs.

Captains John Whelan, Greg Marron, and Fred Franke along with Ed Bauer, Kevin Driscoll, Andy Carbone, John Clancy, Rich Schwarz, Vinnie Ortolani, Matt Ryan, Doug Weigand, and Mark Urban led the team to the playoffs where they lost in the second round in a shoot-out.

Congratulations to All County player John Whelan, All Conference players Andy Carbone and Rich Schwarz, and All Division player Fred Franke.

Hard Working Players Prove Experience Pays Off

The tennis team this year had a record of 8-7, a big improvement over last year's performance. Coach Netter provided a great learning experience for both beginning players and for those players returning for yet another season of phenomenal tennis.

Constance Calma, a sophomore, had an outstanding season, and proceeded to the All-County Competition.

The amazing first doubles team of seniors, Natalie Comens and Mary Ellen Connors proved to be a fine asset to the team. Claudia Fermature's aggressive play was very successful in the third singles spot.

Despite Eileen Ellis' early season illness, she proved to be very supportive and provided much encouragement for the rest of the team.

Peggy Sacino exhibited fine play in the second doubles position. Sue Gay showed dedication to the team and fine sportsmanship throughout the season.

The '83 tennis team was unique in many ways. The teammate's feelings of camaraderie and friendship are not likely to be seen again.

Through Hard Work and Determination Young Team Makes Playoffs

The Girls' Varsity Basketball team finished its season with an impressive nine wins, and three losses. This second place finish qualified Berner for the playoffs, where they were ranked sixth out of sixteen teams, and advanced to the second round before bringing their successful season to an end. Led by captains Karin Wilinski, who broke the season scoring (with 326 points) and rebounding records, and Sue Marose, who tied the highest number of foul shots in one game with nine, the team far surpassed any expectations for them. Coach Becky Crawford and the team members are already looking forward to next year's season since no players are graduating. Karin Wilinski was chosen for the All-Division, All-Conference, All-League, and All-County teams, and Sue Marose made the All-Conference team.

A Season of Rebuilding

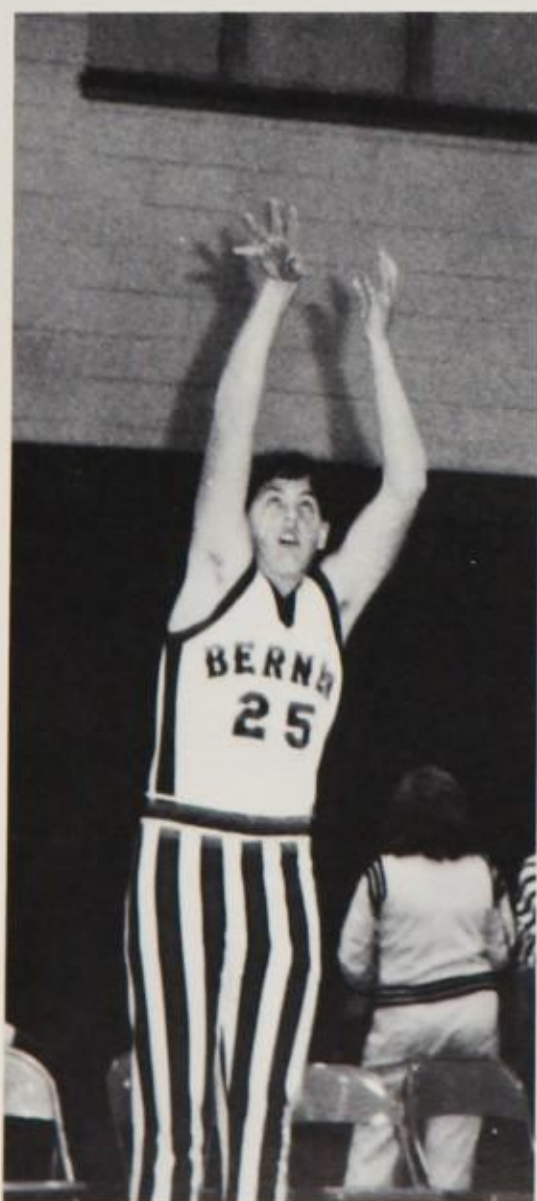

Young Team Fights Hard

Led by seniors Rich Schwarz, Jim McCormack, Tom Koelbel, and Paul Guardiola, the Berner Basketball Team experienced a rebuilding season. Although they finished in last place, the Bisons lost by very small margins in most of their games. Berner showed its strong points were perimeter shooting and defense. Sophomores Ciro Ambrosio, Dennis Cutts, and Tim Buckley contributed greatly to the team. East Meadow was defeated twice during the season, as Berner ended with a 2-9 record. Captains Rich Schwarz and Jim McCormack and the other seniors are graduating, but next season looks hopeful with three starters returning.

Developing Talents That Produce Champions Wrestling Team Finishes Season Undeclared

The Berner Wrestling team finished up its best season ever. The Berner matmen finished up the dual meet season with a phenomenal 11-0 record! They were sixth out of fifty-two teams in Nassau County.

The team's success has been accredited primarily to the squad's exceptional "team work." The experienced varsity members such as Corey Kilgannon, Paul McCormick, Mike Bevilacqua, Rob Payne and Ronni Yarkin have all been consistent producers. However, many seniors coming out for their first year on the team gave the team that winning edge. These seniors include: Mario Bowers, Joe Castelli, Brian McGee, Anthony Tetro and Jim Joblon.

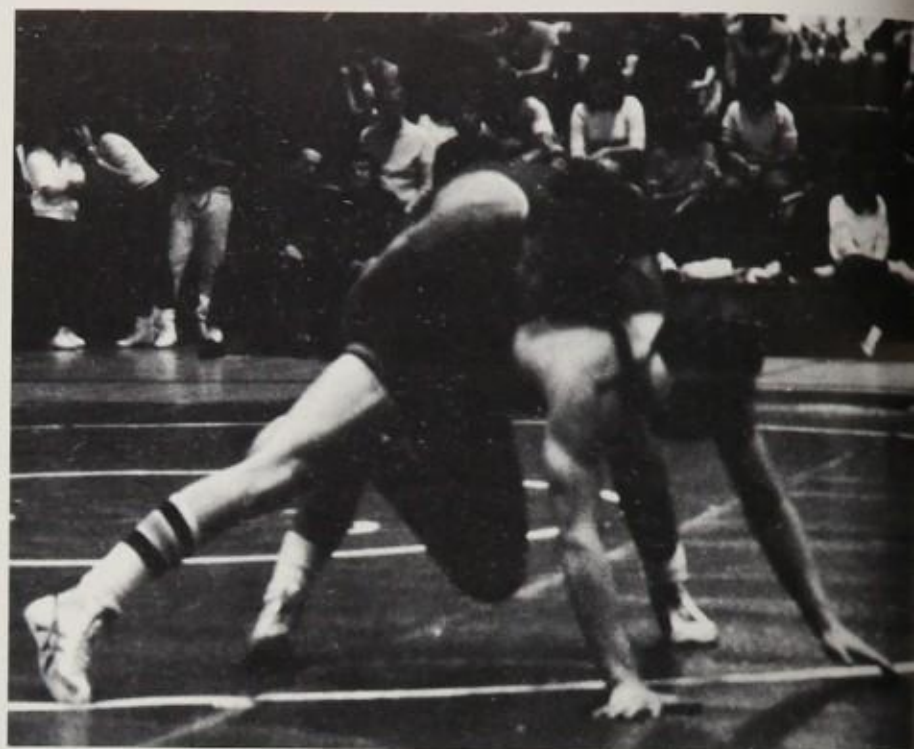

Jim Joblon has been quite a productive addition to the team, not only in winning his matches but by giving the team a sense of unity it needs in order to function. Another key element in the team's success has been the coaching. Jim Nordland and Joe Ferrugia have both instilled the disciplined skill needed for a team to prosper.

The team was a runnerup in the Division tournament. Berner produced three champions: Kery Kilgannon, Mike Bevilacqua, and Jim Joblon. Other finalists include: Rob Florie, Ron Yarkin, Phil Florie, Corey Kilgannon, John Pinna, and Matt Killikelly.

Berner finished strongly in the counties finishing in 6th place in the most competitive county in N.Y.S. Mike Bevilacqua placed first in 132 lbs. and later went on to place 4th in the N.Y.S. Championships. Other place winners were: Rob Florie (5th at 91 lbs.) and Ron Yarkin (3rd at 98 lbs.).

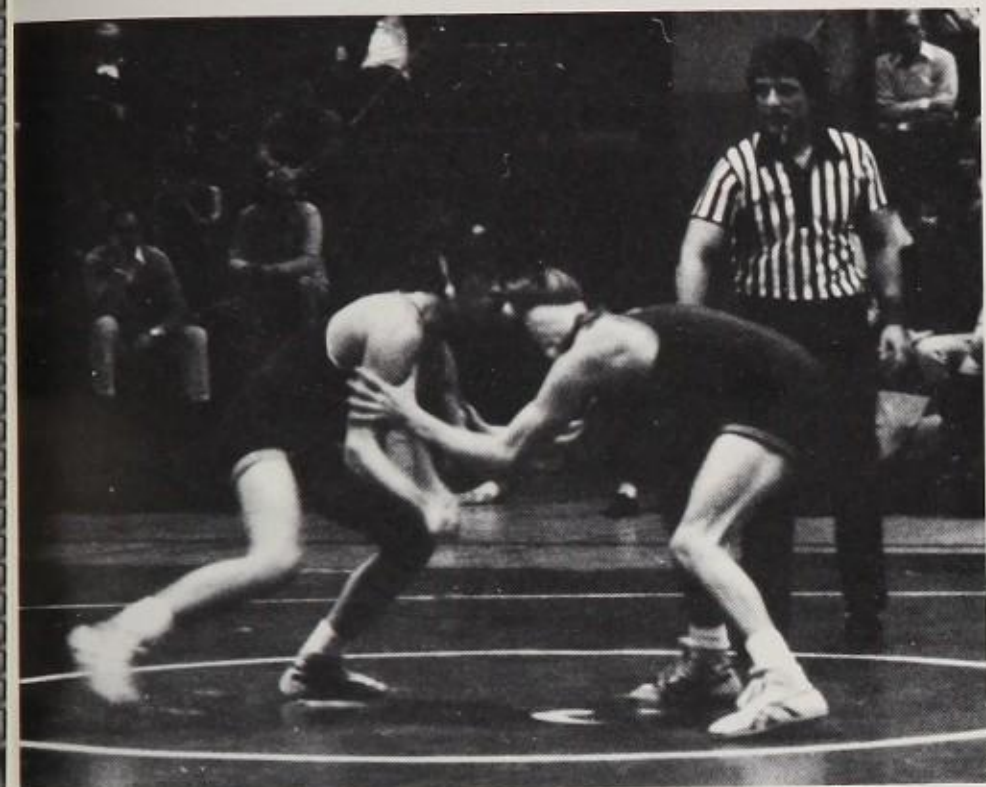

Another notable mention would have to go to sophomore Phil Florie who has done an amazing job this year by also going undefeated throughout his dual meet matches and has pulled off some amazing upsets.

The highlight of the season came on January 28, when Berner easily defeated the Chiefs by a score of 38-10! Although key victories were secured by Phil Florie, Robert Payne, and Mario Bowers, each team member was responsible for the exciting victory. The Bisons continued to savor victory every time they graced the mat and qualified for the county Dual Meet Championships, an honor bestowed on only the ten best teams in Nassau.

Regrouping at Beginning Leads to Successful Finishes

Bowling Team includes: Tracey Fox, MaryEllen Connors, Theresa Baumann, and Elaine Savona.

The Girl's Varsity Bowling team, after losing seniors last year, finished the 1983-84 season in a respectable fourth place. Led by seniors Teresa Bauman and Mary Ellen Connors, and by juniors Denise Panico and Debbie DeRosa, the team overcame the loss of many team members last season and finished the season admirably.

The Boys' Bowling Team came in an impressive 2nd place in Division IA. Under the guidance of Coach Donald McCauley, the team finished with an outstanding record of 9-3. Eric Rothke led the team with an average of 187 and qualified for All County. Other powerful members were seniors Chris Tebeau and Doug Butchazke, and junior Pete Weber.

(Left to Right) Chris Tebeau, Coach McCauley, and Doug Butchazke. Missing: Eric Rothke, Pete Weber, and Paul Ellner.

Coach McCauley and senior Chris Tebeau are pleased with their team's impressive season.

For Second Year in a Row Rifle Team Captures Conference Title

For the second year in a row, the Varsity Rifle Team captured the National League IA Conference Title. Shooting at targets from a fifty foot range, the team members had impressive scores. Senior Kevin Browne scored a perfect 200 in the prone category, and came in second place in the tiebreaker. Sophomore Manny Goodman received first place honors in the kneeling competition, and junior Mike Cohen secured 3rd place in prone. In the J.V. kneeling competition, Mike Tepedino captured first place.

The rifle team finished with an outstanding record of 8-2. The dedication of Varsity coach Mr. Charles Tacke, and J.V. coach Mr. Keith Mercer, was a tremendous asset to the team.

Varsity Team includes: (Standing): Coach Tacke, Keith Anderson, Kevin Browne, Eric Smith, Assistant Coach Mercer (Kneeling): Manny Goodman, George Cheeseman

J.V. Team includes: (Standing): Kelley Smith, Rob Sgroy, Mike Tepedino, Coach Mercer, Steve Tiberg, Matt Coleman, Tami Ferrara. (Kneeling): James Rearick, Chris St. James, Troy Geyer. (Missing): Marshall Winkler

Winter Runners Defy Weather

Team Captures Third Place in Counties

This year's winter track team was a small group with a lot of talent. The team competed in many meets at Farmingdale College and were commended for their outstanding performances. The two-mile relay, consisting of Joan Tebeau, Andrea Hannula, Tina Donhoe, and Diane Altenburger, captured fourth place in the conference meet and third place in the county track meet with a time of ten minutes-fifteen seconds, which broke the school record. New freshman Lori Murray received a gold medal in the one-mile run for her distinguished achievements at the Nassau Coaches Meet in the Armory in New York City. With this year's team's potential and great enthusiasm, the outlook for next year's season looks very promising.

Hard Work and a Well-Balanced Team Make for a Playoff Finish

The Berner Hockey Team finished a tough season by fighting in the playoffs. The spirited play of this well-balanced team, ranging from three returning seniors, captain Bill deBruin, center Matt Ryan and right defenseman Chris Heckman, to an eighth grader, left wing Denis deBruin, made this fine finish possible. This season was one of rebuilding. Many newcomers were added to the club, and they developed a sense of team work. Next season promises to be an exciting one with many young talents. Coach Tony De Mayo contributed many hours of his time to bring this team together for a playoff finish.

(Bottom Row): Kevin McCrann, Joe Raneri, Denis deBruin, Paul Edwards, Kevin Keutchler, Rich Zinke, Tom Conlon, Rich Maven, Eugene Bucalo, Rob Shimborski (Top Row): Assistant Coach Ken Graven, Matt Ryan, Bill O'Halleran, Les Menkes, Bill deBruin, Sean McCarty, John Pagano, Chris Heckman, Tom Kreigel, Craig Rowe, Tony Demayo (Coach).

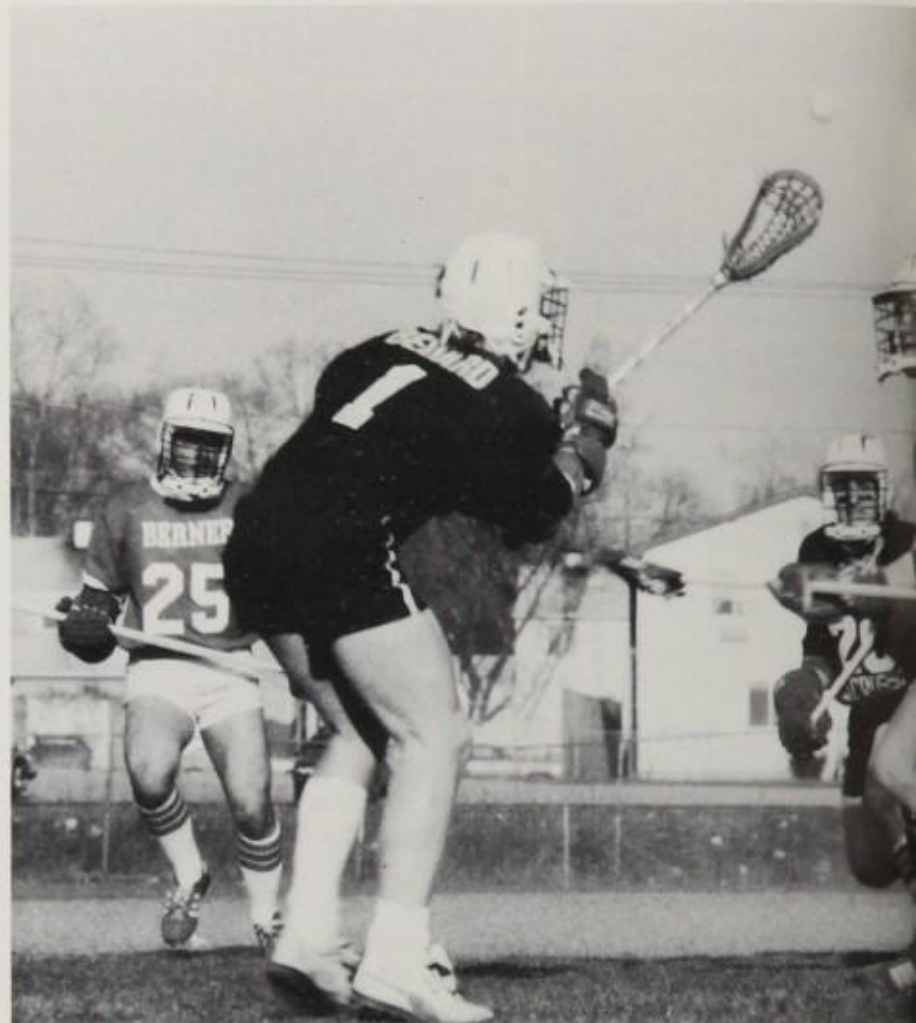

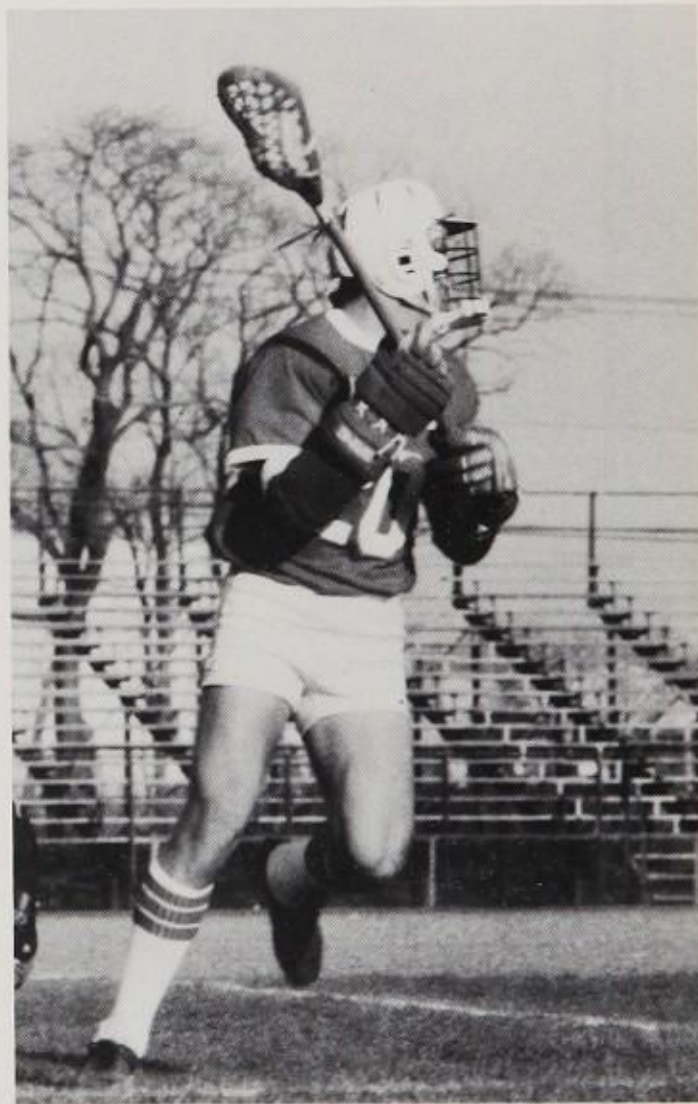

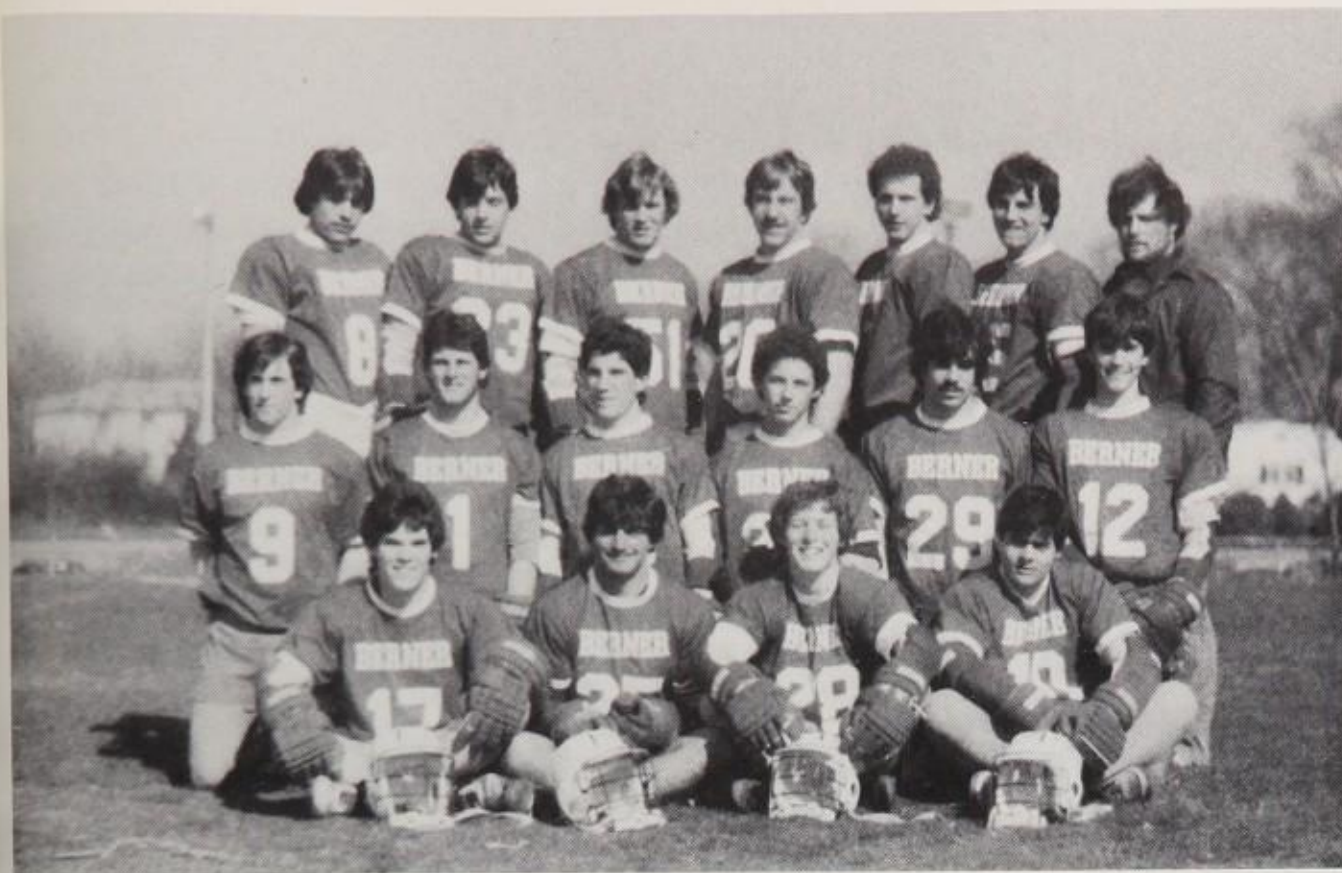

Despite Loss of Returning Players Lacrosse Has an Exciting Season

This year's Varsity Lacrosse Team had a very successful season. Led by Captain Joe Lizzio, the team was a strong victorious force in the county. The returning varsity seniors Ed "Jed" Bauer, Rich Schwartz, and Greg Marron controlled the midfield with hard hitting and aggressive play. The defense was led by senior John Dattero and junior John Rowe. Although they lack a great amount of depth, Coach Shroeder got the most out of the team. Responsible for the many of Berner's goals are attackmen Senior Rich Murphy, and junior Matt Whalen.

One of the highlights of the season was the exciting Berner-Farmingdale game. In this game Senior goalie Tom Patafio had one of his best performances of the season.

The 1984 Varsity Baseball team has completed one of their most successful seasons due to the consistent pitching of returning Senior Brian McGee and Juniors Brian Lundy and Chris Olsen, helped by the superb catching of Senior Craig Miller.

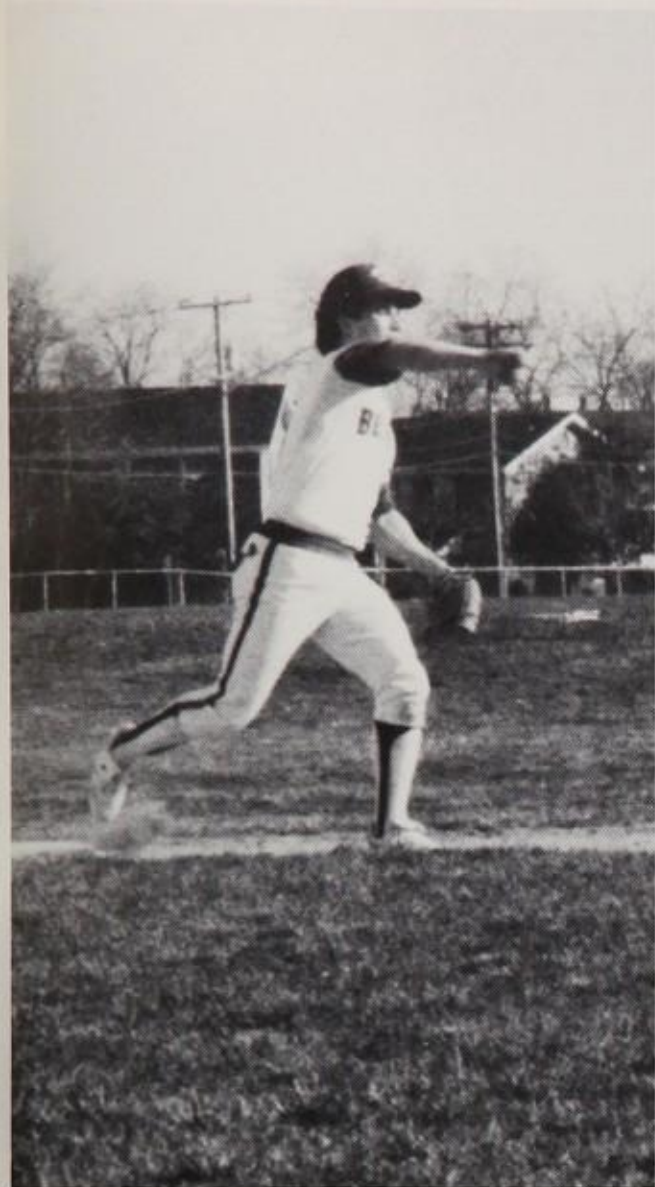

Senior outfielders Matt Fagen, Paul Guardiola and Junior Jim Beato have made Berner's outfield one of the best in the league. All three have had a good second season on Varsity — both offensively in batting and defensively with their gloves.

Senior second baseman Durlan Castro and Sophomore shortstop Ciro Ambrosio not only supplied clutch hits toward the victories but were also the strength of the Berner outfield. Senior third baseman Jim McCormack and Doug Buschatske contributed with their constant hitting.

Juniors Paul Bianco and Sean McBride were very productive when called upon in the field and at the plate.

Top (l. to r.): Coach Lange, Ciro Ambrosio, Brian Landy, Keith Schilling, Craig Miller, Jim McCormack, Ira Schack, Chris Olsen, Sean McBride, and Paul Bianco.
Bottom (l. to r.): Joe Ranieri, Matt Fagen, Paul Guardiola, Durlan Castro, Doug Buschatske, Jim Beato, and Brian McGee.

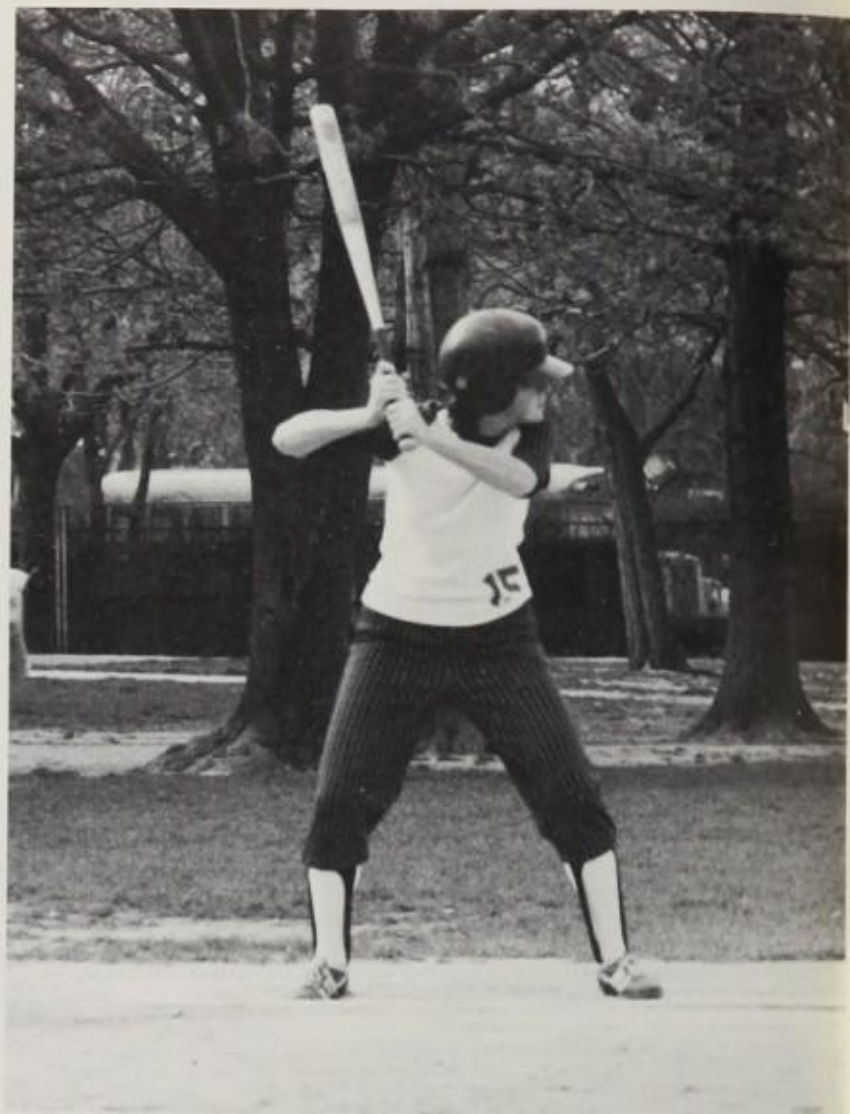

Girl's Softball cops third place in League . . Returning Seniors Help a Fine Season.

The team's returning seniors are Maureen Nolan, Mary Ellen, Conners, Madeline Petrizzi and Sue Leonard. Returning Juniors are Karin Wilinski, Sue Marose, Theresa Prato, Elaine Savona and Lisa Gordon. Sophomores are Elaine Yaldini and Tracy McCrann. Freshman players are Linda Murray and Karen Flynn.

Pride and Determination Are Big Factor Girls' Track Team Breaks Records

The Spring Track Team, led by senior co-captains Janine Radomski and Andrea Hannula, once again had a successful season. This year the Bisons captured first place in their conference. The team competed in many dual meets during the week along with big Invitational Meets on Saturday mornings. The two-mile relay, which included Joan Tebeau, Andrea Hannula, Tina Donahoe, and Diane Altenburger performed even better this season. They continued to break school records along with the four-hundred meter relay consisting of Janine Radomski, Lynda Thompson, Julie Resager, Judy O'Dwyer. Senior Chris Boran also broke her discus school record for the third time. This year's Spring Track Team held their heads up high, and received a lot of recognition. With the pride and dignity that the team had, next year's track team will definitely be a winning one.

Varsity Tennis Conquers the Odds

Team Completes Impressive Season

The Varsity Tennis Team finished the season with a very impressive record. In the beginning of the season, Coach McGovern evaluated the team as inexperienced due to the large number of underclassmen, but enthusiastic. He had great expectations for this hardworking and dedicated team. They proved themselves worthy of these hopes. Seniors Scott Wiss, Rich Anderson, Les Menkes, and Steve Baldwin lent their skill and experience to make this year's team a successful one.

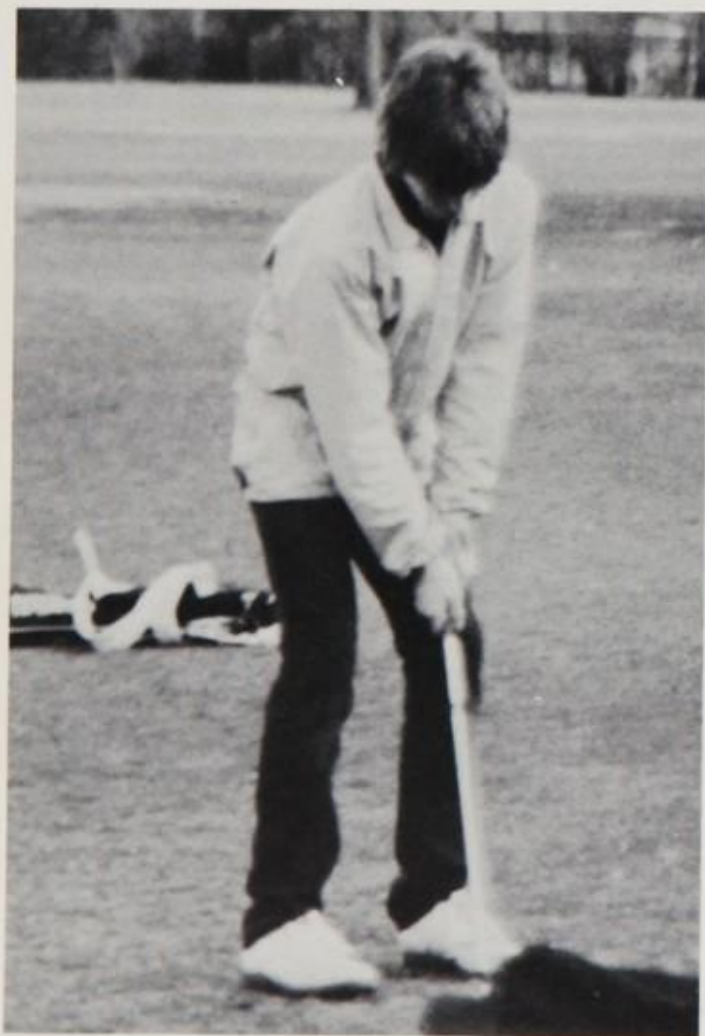

The Winning Tradition Continues

Returning Talent Sparks Victories

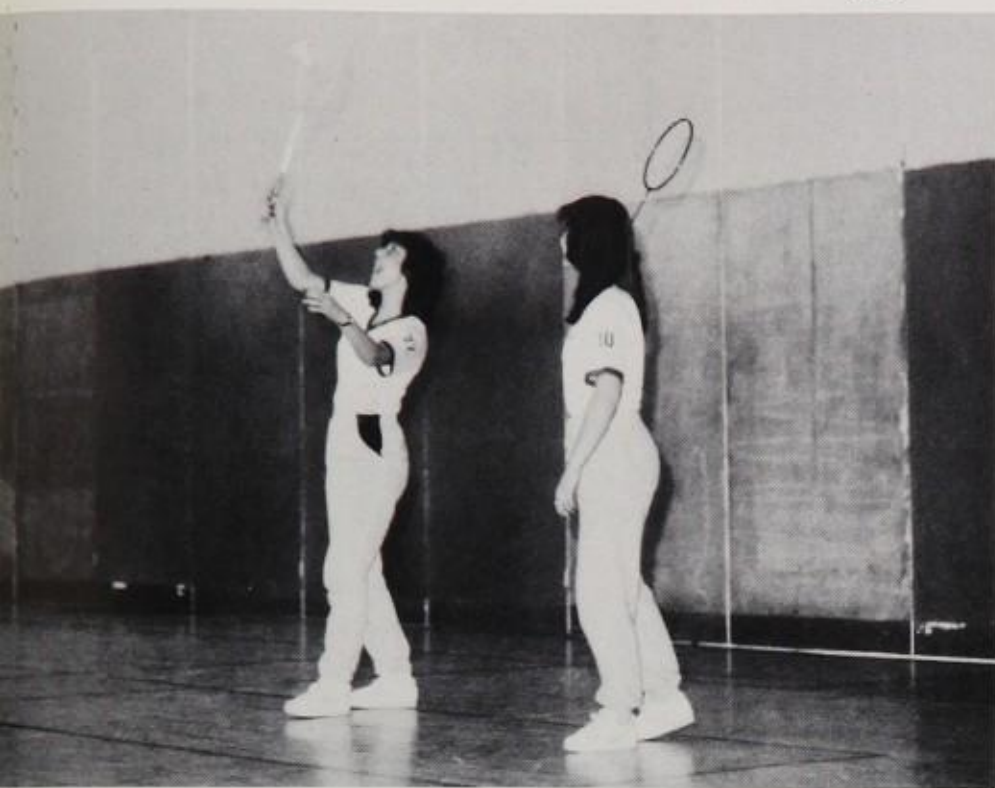

The golf team enjoyed a very successful season this year. As one of Nassau's top teams last year, the team was determined to improve even further upon their impressive record. The team was lead by returning starters Bob Mugavero, Corey Kilgannon, and junior Greg Schementi. Other experienced returners included: Paul Loehr, Mike Fagan, Anthony Ustica, Jeff Kusterer, and Mike Bevilacqua.

The squad was loaded with talent, but it was the tenacious team spirit that inspired the team to continue its winning tradition. Along with the fine coaching of Mr. Richard Wit, the team became one of the most feared and respected teams in Nassau County.

Spirit and Determination Prove to be Winning Combination

Badminton is probably the least talked about team in Berner. Yet its record for the past several years ranks with those of other good teams here. The team has spirit, and each girl is loyal and dedicated to the sport. Mr. Lou Netter, the coach of the team for several years, has remained a clear example of the dedication of this group.

Chris Viladesau, a senior member with three years on the team, is one of the best doubles players there is. Her drive and hard work have led to her position of first doubles, something she should be very proud of.

Marietta Cavassa has become a crucial part of the team since her entry two seasons ago. Singles or doubles, she always plays well and encourages her fellow players to do the same.

Donna Lee, a three year member, and Donna Panico, in her first season, are the remaining two seniors. Their "winning" combination this year has provided the team with a lot of spirit. These girls get out there and have fun.

The team would be nowhere without its non-senior members. All the badminton seniors would like to thank Debbie DeRosa, Denise Panico, Debbie Yee, Kim Pellegrino, Lisa Koch, Nancy Tsai, Shannon Ryan, and Dorothy Weigand for the time and energy they devoted to make this great season fun for all.

(First row): Alysa Adcock, Sue Goettler, Donna Lee, Debbie Yee, Dorothy Weigand. (Second Row): Chris Viladesau, Dale Intrabartolo, Marietta Cavassa, Denise Panico,, Nancy Tsai, Debbie DeRosa. (Top): Coach Lou Netter. Missing; Shannon Ryan.

Activities

G.O. Officers

If you have a dream reach for it. If you have a goal strive for it. If you want something accomplished work for it!

I would like to thank all the leaders of the school who have worked for their accomplishments. To reach success you had to encounter failure, to receive praise you had to take criticism, and most of all, to accomplish projects you had to give your time.

Everyone that gave that time deserves praise. Your work and effort have not gone unnoticed.

I would especially like to thank my fellow officers, the administration, and Mrs. Hoehmann, all of whom made the student government possible.

I would like to give recognition to Mr. Stuber for all his encouragement and initiative in the student government. His work may have gone unrecognized, but not unappreciated.

Thank you,

Natalie Comens

Mr. Stuber — Advisor, Brian McGee — V. President, Stacey Berman — Treasurer, Eileen Ellis — Secretary, Natalie Comens — President.

Class of '84 Officers

To the Class of 1984,

Our senior year is nearly over
the past four years are at their end
We now leave our childhood behind
the future is around the bend.

It seems like only yesterday
when we started at this place.
Teachers, classes and the work
are things we can't erase.

All the good times we have had
all the experiences we've shared
will all become just memories
to those of us who've cared.

Learn from the mistakes you have made
use the things you have learned
treasure the memories you have
and keep the friends you've earned.

As the Senior Class President

I want the best for all of you
as I say a tearful good-bye
and wish good luck in all you do!

Sincerely,

Maureen Nolan

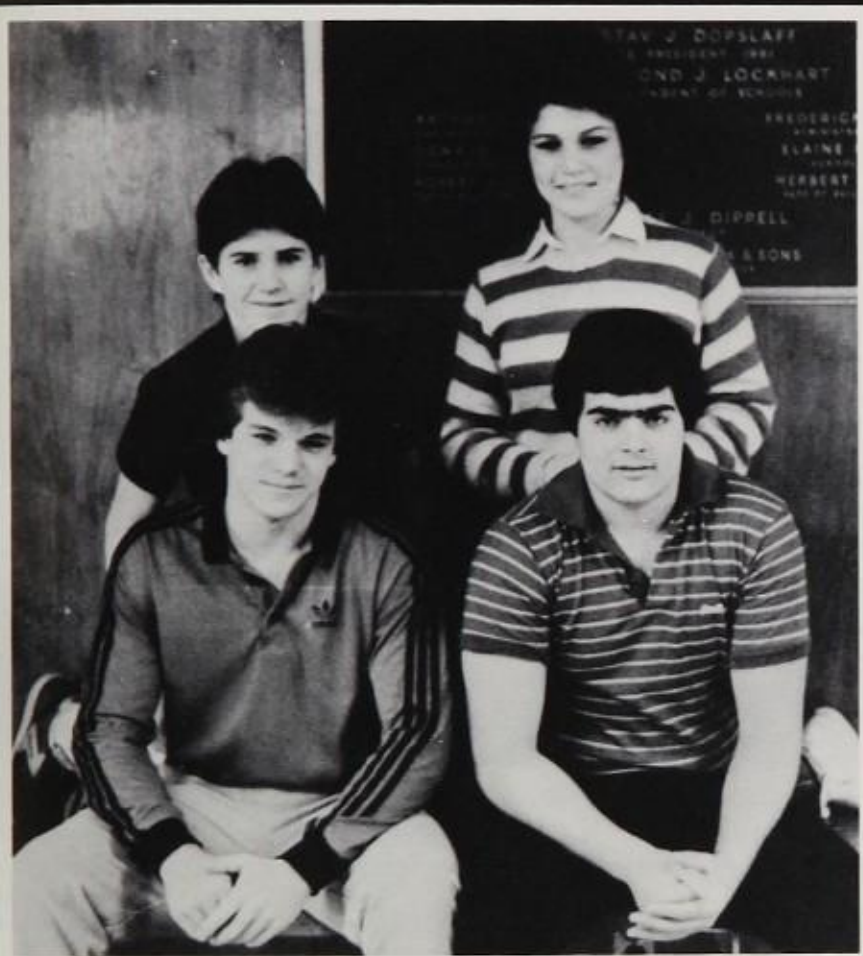

Ms. Byrne — Advisor, Kristen Davi — Secretary, Nina Corapi — Treasurer, Mr. Page — Advisor. (Seated): Maureen Nolan — President, Margaret Finn — V. President.

Class of '85 Officers

L. to R.: John Blood, Treasurer; Karen Wilinski, President; Dorothy Wiegand, Secretary; Tulyann Smylie, Vice President.

The Junior Class officers have brought about a prosperous year. In addition to earnings left over from their successful magazine drive, they sponsored the Senior — Faculty Basketball Game. The profits will be used to cut the cost of the Junior Prom, which will be held at the Crest Hollow Country Club.

Class of '86 Officers

Seated: John Culver, Anthony Dattero. Standing: Kerry Kilgannon, Vicky Lipari.

This year's Sophomore officers have proven to be responsible and efficient. Their main task this year was the class ring sale. Through magazine sales the students were able to cut the price of the rings dramatically, making them more available to sophomores.

Class of '87 Officers

Seated: Paula Radosta — Sec., Chris St. Jeanos, Treasurer. Standing: Danny Guerra, Vice-Pres., Mr. R. Gale, Advisor; Darren Hool, President.

This year Berner had its first freshman officers. Under the guidance of Mr. Richard Gale, the enthusiastic officers are gaining a headstart in student government. They are already planning such innovative events as the "Berner Olympics," and "Baby Picture Contests." Berner has high expectations from its youngest officers.

Berner

Beacon

The Berner Beacon, our own "New York Times," has been a noteworthy source of enjoyment and information. This year, under the editorship of senior Kara Kort and the supervision of faculty member Elliot Addis, the paper has once again continued its tradition of literary excellence. Through the outstanding contributions of talented student writers, the Beacon consistently printed a newspaper of the finest quality and literary merit.

Mr. Addis — Advisor, Angela Giordano, Dolores Kamor, Paul McCormick, Claudia Fermature, Sue Gay, Stacey Lawrence, Mimi Oser — Assistant Editor, Mary Ellen Connors, Nina Corapi. (Seated): Karin Wilinski, Ken Plaia — Business Manager, Mary Fullam, Kara Kort — Editor, Scott Wiss.

It's Academic!

The It's Academic team, under the supervision of Mr. Richard Gale, has enjoyed the success of a productive season. The team traveled to various schools to participate in scholastic competitions. Points were earned by correctly answering questions on such topics as art, literature, music, history, science, math, and trivia. The It's Academic team is proof of Berner's intellectual excellence.

R.A.P.S.

It is Tuesday afternoon. You are in a room listening to teenagers discuss general, contemporary, and personal problems. The students seem to really care and they offer surprisingly good advice. This is the Rational Approach to Problem Solving, more commonly referred to as R.A.P.S. Under the guidance of Mrs. Ebba Lehmann and Mr. Sheldon Weinrib, this group clearly meets the need for students to discuss and come to terms with their own problems. Through the years, R.A.P.S. has established itself as one of Berner's most successful groups.

Youth Council

This year's Youth Council was forever on the move. It was a Community oriented group, as exhibited by their charity turkey raffle. When this group was not helping others, it was planning trips. The frequent trips to the city were both cultural and exciting. In an effort to encourage participation, Mr. Midura opened up the numerous events to the entire school.

SADIS

Pep Club

The most energetic organization at Berner this year was the Pep Club. The members, with the help of Mr. Bevilacqua, aroused the spirit of our students. By painting the sports box, and selling painter caps, hats, buttons, and shirts they virtually painted the school red and white. Their enthusiasm encouraged active support of our school's athletic system.

AV Squad

The A.V. Squad consists of dedicated students. In order to keep up with a hectic schedule the students were willing to work harder than any group in Berner. Too often this group was taken for granted by those who thought that televisions and movie projectors moved themselves. Mr. Jeskie trained the squad well. It consists of responsible and efficient students who have assisted the school operation tremendously.

Camera Club

After learning the fundamentals, the Camera Club has spent most of the year applying the finer points of photography. This group is not content with studying manuals. They have been seen around school constantly snapping pictures, hoping to capture the essence of a person, scene or activity at Berner. They also develop their own film and print enlargements.

Drama Club

The Drama Club produced two plays this year. "The Wedding" was a one-act hit. The actors and stage crew were talented and dedicated and the direction was superb. The main production, Play On, offered further proof of the club's ability to create comical productions. This year, the Drama Club, under the new guidance of Mrs. Helen Anderson, has continued in its tradition of bringing enjoyment to Berner.

Ski Club

The Ski Club has sponsored various trips to the nearby mountains to enjoy the exhilarating fun of skiing. Many of the members are avid skiers who coast down the expert slopes, while others are just beginners learning the basics. The club was formed in response to the growing popularity of skiing. Under the direction of Mrs. Urban, the club has grown to be one of the largest Berner with an ultimate trip to Canada in the planning.

Cheerleading

A main source of school spirit at Berner is the cheerleaders. This enthusiastic group of girls starts the school year out on the right foot by participating in pep rallies. They further bolster team pride by involving Bison fans in their zealous cheers. Besides performing at various sports events, the cheerleaders are well known for their annual holiday dance. Their participation in school activities is evidence of Bison spirit.

Bisonettes

A main source of entertainment at half-time is Berner's kickline, the Bisonettes. Incorporating dancing skills, coordination, and flexibility, the Bisonettes perform upbeat routines to popular songs. Besides adding to the enjoyment of football and basketball games, they also participate in various kickline competitions. This year, the Bisonettes added to the holiday spirit by selling Santagrams, short messages complete with holiday sweets.

Twirlers

Adding to the half-time entertainment are the twirlers. Known for their innovative routines, the Twirlers use determination and hard work to perfect their art. Their baton tricks, while difficult, are performed with ease by the Twirlers. Brenda Leonardi, Peggy SanFanandre, and Chris Cimone were the only seniors participating this year, but their contributions of talent and a sense of teamwork were obvious.

(Bottom Row): Chris Cimone, Jessica DiCarlo, Lori Van Allen, Brenda Leonardi, Melanie Gurdin (Top Row): Theresa Masciovecchio, Donna Will, Fawn Chapter, Peggy SanFanandre.

Homeroom

Announcers

Want to know about the latest dance, sports score, or club happening? Listen to the homeroom announcers. Jim "Amo" Amorsino and Chris Tebeau have kept us up on school news every morning of our senior year. Their upbeat reports were both informative and interesting.

Chris Tebeau and James Amorsino

Tom Temps, Mimi Oser, Mrs. Schmukler — Advisor.

Bison

Shop

Whenever in need of paper, pens, or just a candy bar, a quick stop to the Bison Shop before homeroom was the answer to many predicaments. At the dependable Bison Shop you were always sure to find what you wanted at discounted prices. The entire student body has benefitted from the dedication of the Bison Shop aides.

General

Office

Assistant

A most important helper in the General Office is the student helper. She learns valuable office skills while helping the Berner Secretarial Staff collate and file the many messages arriving each day for the professional staff. There are always the many errands throughout the large building that would be impossible without such assistance.

Alicia Falkowitz

Guidance Squad

The students of the Guidance Squad have consistently provided assistance to both the guidance counselors and the secretaries. The students file, answer phones, and send messages to students. They have gained valuable work experience that will aid them in their future endeavors. Mrs. Bryson is the faculty advisor of this group.

Seated: Carol Bovera, Colleen McGuire, Trisha McManus. Standing: Karen Kregel, Barbara Reidy, Rachel Held, Mrs. Bryson — Advisor.

Health Careers Club

Under the instruction of Mrs. Collins, the members of the Health Careers Squad have discovered how involved the health care system is. The students spend their free time working in the nurses' office in exchange for a chance to increase their knowledge of the medical profession. The members answer phones, file health cards, and record student illnesses.

Seated: Maureen Anderson, Kim Myers, Robin Kutun, Steve Leser. Standing: Stephen Pianese — Student Counselor, Dianne Archipolo, Frances Carr, Mrs. Collins — Advisor, Cindy Raymond, Doreen Archipolo, Mike Cohen. Missing: Carol Smith and Debbie Rubenstein.

Library Squad

Many students have graciously given their time, and worked in the library this year. These aides provided a tremendous service to both the students and the librarians. In return, Ms. Krieg shares her vast understanding of the library system. Students, especially those interested in library science, have benefitted from this squad.

Seated: Melissa Verity, Melanie Gurdin, Fawn Chapter, Kenneth Rohrs, David Abolafia, Dennis Bradbury. Standing: Ms. Krieg — Advisor, Kim Pelligrino, Anthony Scarabino, Erik Lutwin, Chris Siegmund, Diane Venezia, Terry O'Sullivan, Valerie Reinhardt, Mrs. Spiegel — Advisor.

CLUB OFFICERS — Brian O'Keefe, Treas.; Nina Corapi, President; Sue Raiola, V. Pres.; Lisa Scoleri, Sec.

Italian Club

This year's Italian Club was the largest and most successful in the history of Berner. Meetings were spent planning menus, making costumes, practicing dance steps, and creating decorations for the Italian Festival. The product was a feast of Italian cuisine.

Entertainment was provided by members dancing the tarantella, a traditional Italian dance. The funds raised enabled the club to visit New York City to further explore the Italian heritage.

Latin Club

The Latin Club was very active this year. In addition to learning a very complex language the students studied the Latin customs, which are the basis of most cultures. A history lesson in itself, was the "Saturnalia" or Latin festivals, which the group visited at various high schools. In addition to going to museums and plays, the group attended a luncheon at the Atrium in Massapequa. The restaurant is modeled after ancient Roman houses. Under the guidance of Mrs. Swalgen, the members experienced many aspects of Latin culture that exist in our area.

Seated: Jean Oursler — V. Pres., Moira Tuohey — Pres., Nancy Pesek. Standing: Steven Efststhiou — Sec., Scott Dillon, Jim Reark — Treas., John DeMascio. Missing: Greg Schementi — Public Relations.

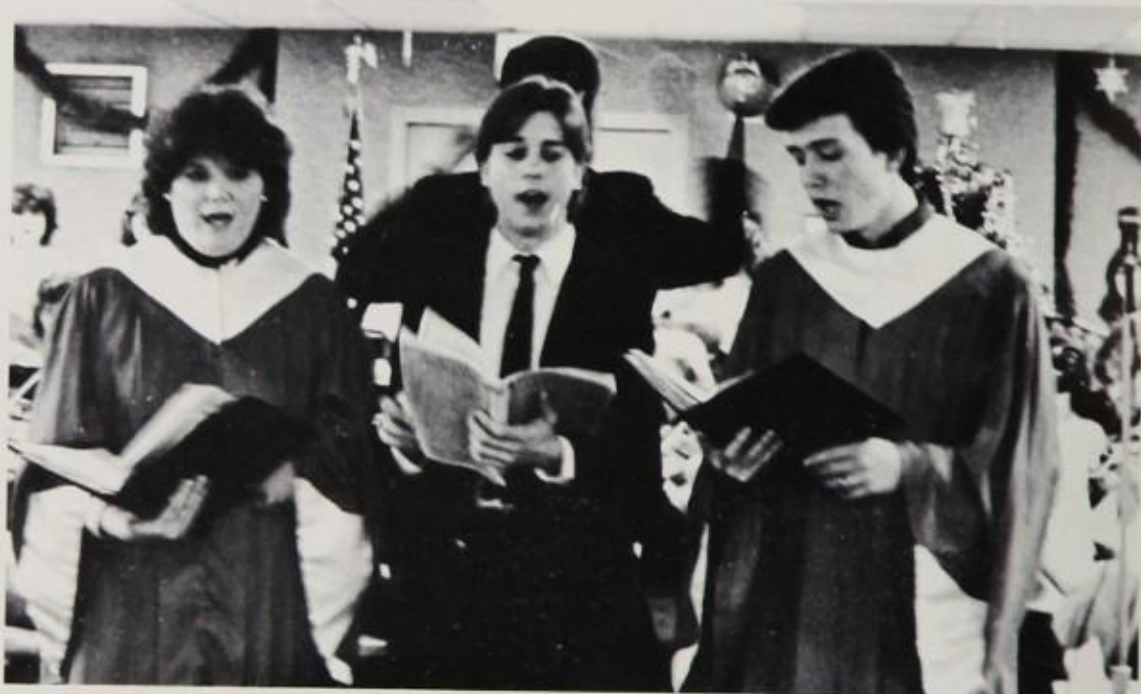

Seated: Miss DiFatta — Advisor, Terry O'Sullivan, Jean Gallego. Standing: Paul Spinelli, Brian Geraghty, Michele L., Alan Kuffner, Mary Fullam, Stacey Lawrence, Karen Yanowitz, Janine Torreson.

French Club

The French Club consisted of students interested in learning the finer aspects of the French language and culture. Through various fund-raisers, the club was able to sponsor a dinner at La Mansarde, an exquisite French restaurant. The club's main objective was to eventually visit France and savour the French lifestyle first-hand.

Music

Chamber Singers

Chamber Singers are members of A Cappella selected by Mr. Holdridge on the basis of obvious talent and ability in singing. Due to their small size, the Chamber Singers are able to travel throughout Long Island to fulfill the many requests they receive to perform. This group has performed at the Pan Am building, as well as for various other clubs and schools. Last year they visited a recording studio, where they taped two songs that had been especially composed for them.

A Cappella Choir

Under the direction of Mr. Laurence Holdridge, the A Cappella Choir has become one of the most well known of Berner's organizations. They have been privileged to work with guest conductors, and to perform at such prestigious places as St. Patrick's Cathedral. The highlight of the year has always been the annual Christmas tour, in which the choir brings cheer to orphanages and nursing homes on Long Island.

(Bottom Row): Cindy Shanman, Jen Martino, Cathy Lafferty, Carol Fish, Paul Loehr, Stacey Lawrence, Diana Bosco, Debbie Gawronsky (Middle Row): Kara Kort, Sue Balaes, Michele Yanow, George Formes, John Duggan, Jean Ophals, Barbara Murphy, Donna Panico (Top Row): Kevin Mast, Florence Soviero, Greg Owen, Daniel Geiger, Denis Farrell, Michael Zicari, Rob Sheridan, Kathleen Cole, Stephen Baldwin.

Cadet Band

This year the Cadet Band progressed under the direction of Mr. Frank Sagarese. The band has been quite active. Their performances include travel to local grammar schools, which has been a delight for the younger students. Their performance at the mid-winter concert was exceptional this year, and they expect to continue in this tradition. Meanwhile, they are expanding their musical abilities in their daily rehearsals.

Concert Band

The Concert Band's repertoire of both classical and contemporary music has proven to be highly entertaining. Through the dedication of Mr. Frank Sagarese, the band's performances at school concerts are always enjoyable. This group is also an accomplished marching band. During the football season, the band presents a half-time show to the delight of the sports fans. The wide range of music performed by this band has made it one of the most versatile groups in Berner.

Cadet Orchestra

Under the guidance of Mr. Alan Kunnins, the Cadet Orchestra has spent this year practicing for future concerts. The group was organized as a training ground for musicians with obvious talent and potential. The orchestra rehearses five days a week to develop their skills. Throughout the years this group has produced talented Symphony Orchestra members.

Symphony Orchestra

The Symphony Orchestra, under the direction of Mr. Alan Kunnins, performs music of a professional caliber. The orchestra has toured with the A Cappella Choir to various nursing homes and orphanages on Long Island. To further expand their musical horizons, the orchestra will travel to Whitesboro, New York for an exchange program. Participation in three school concerts annually, and various performances at other functions, has formed an accomplished and well-known orchestra.

Senior Girls' Choir

The Senior Girls' Choir is a group of skilled young women that presents numerous successful concerts during the school year. Participation in the choir gives the members an opportunity to shape their musical abilities and share them with others. The group consists of first sopranos, second sopranos, and altos. It is under the direction of Mr. Lawrance Holdridge.

Mixed Chorus

Composed of freshmen, the Mixed Chorus has been a training ground for our school's top vocalists. This year they participated in three concerts, and its members showed tremendous potential. From these talented singers, Mr. Holdridge will select future choir members.

S.A.D.D.

Students Against Driving Drunk began in 1981 as an experiment at Wayland High School in Massachusetts. S.A.D.D. quickly spread to over 6,000 high schools in the United States. Its founder, Mr. Robert Anastas, came to Berner in 1983 to initiate S.A.D.D.

In December, 1983, the S.A.D.D. organization, led by senior chairperson Moira Tuohey and junior chairpersons John Blood and Alan Berman, held a very successful assembly. Two very distinguished guests, New York State Assemblyman, Mr. Philip Healey, and Massapequa Park Mayor, Mr. Robert Thompson attended and made the students aware of how dangerous drinking and driving can be.

At the heart of the S.A.D.D. program is a contract between high school students and their parents. The teenagers pledge that they will call home rather than driving drunk or accepting a ride from an intoxicated friend. The parents in turn, promise to give a ride to the student, without an argument or questions. What makes the S.A.D.D. method work is the recognition that teenage drinking and drunk driving are two very different problems, to be dealt with separately. The contract has helped to bridge the communication gap between parents and teens.

Part of the reason S.A.D.D. committee was so successful this year was awareness, both community and school. Moira, John, and Alan attended many rallies where they met with other S.A.D.D. representatives from other high schools, and brainstormed ideas. Many pins, buttons, and a billboard in Massapequa Park, all distributed by S.A.D.D. at Berner, proved the awareness of this problem.

Class of 1984

*Candid*s

My face is seen upon this page
It is here for eternity
Pictures taken . . . Moments saved
Endless memories for you and me.

The laughs we shared together
The tricks we dared to do
The parties we all crashed
If only our parents knew!

When we first began at Berner
We were frightened of ninth grade
We have changed a lot since then
Look at the progress we made!

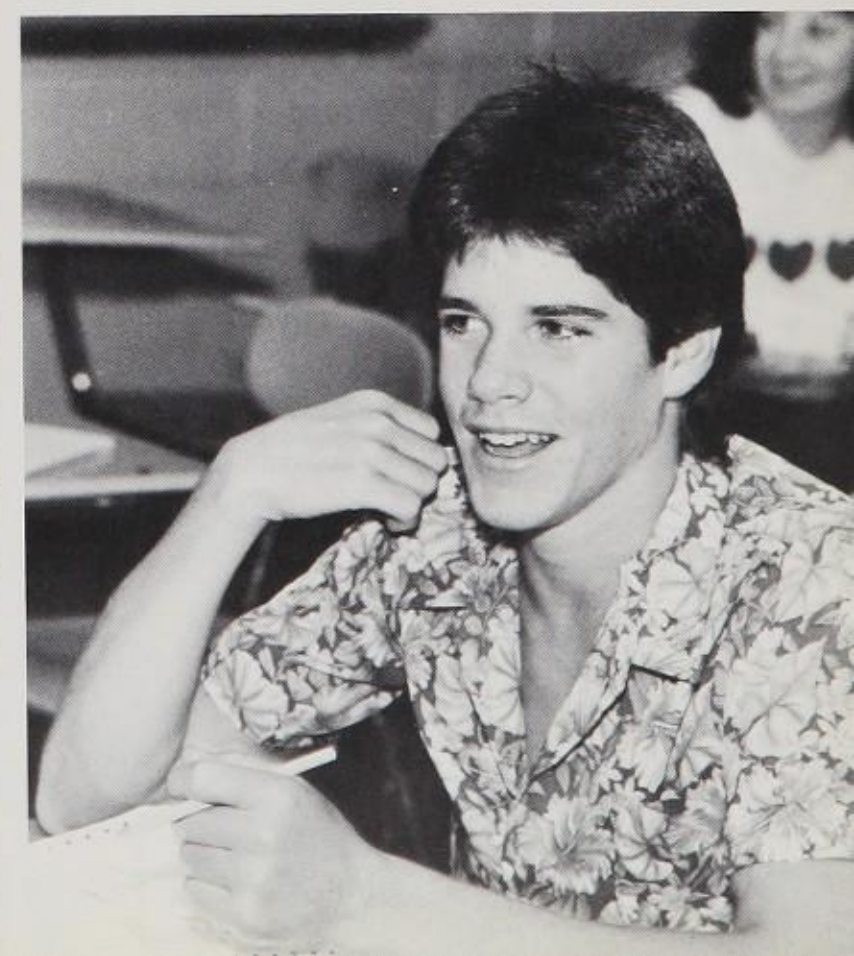

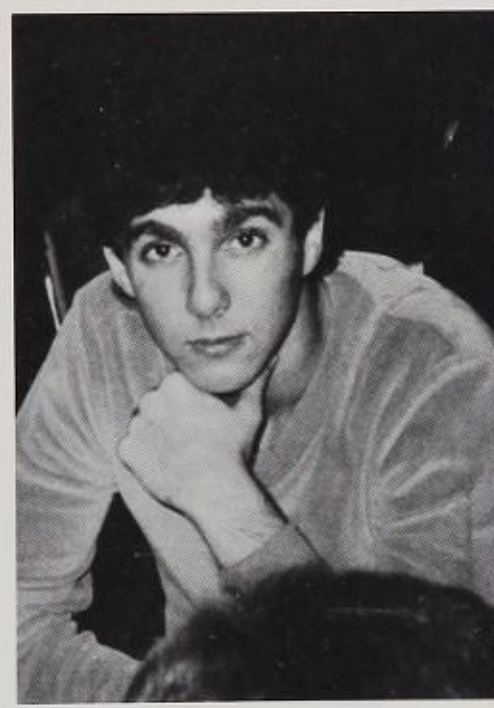

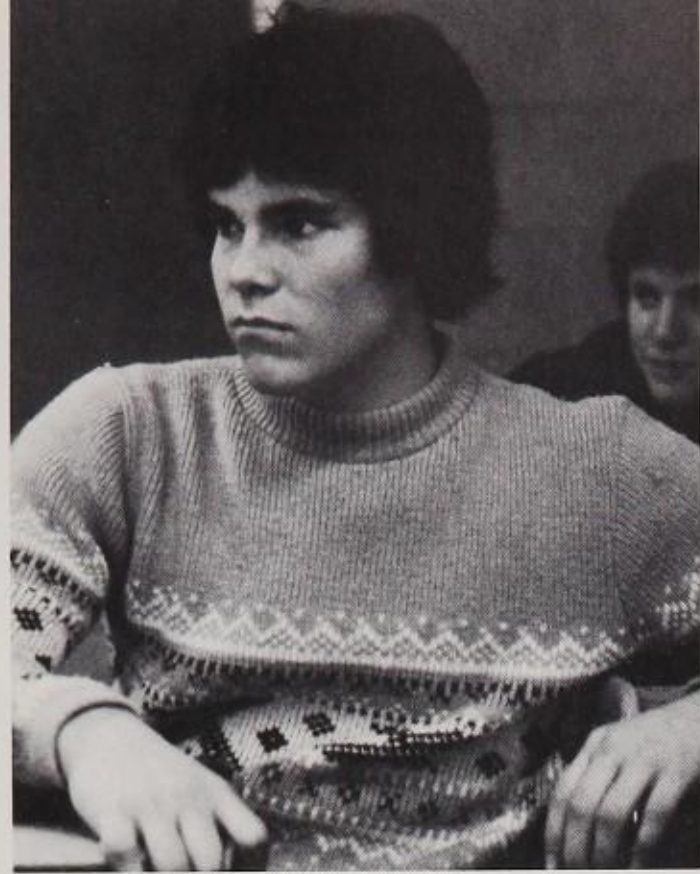

There were clubs we all joined
There were sports we all played
But what made them worthwhile
Were the good friends we made.

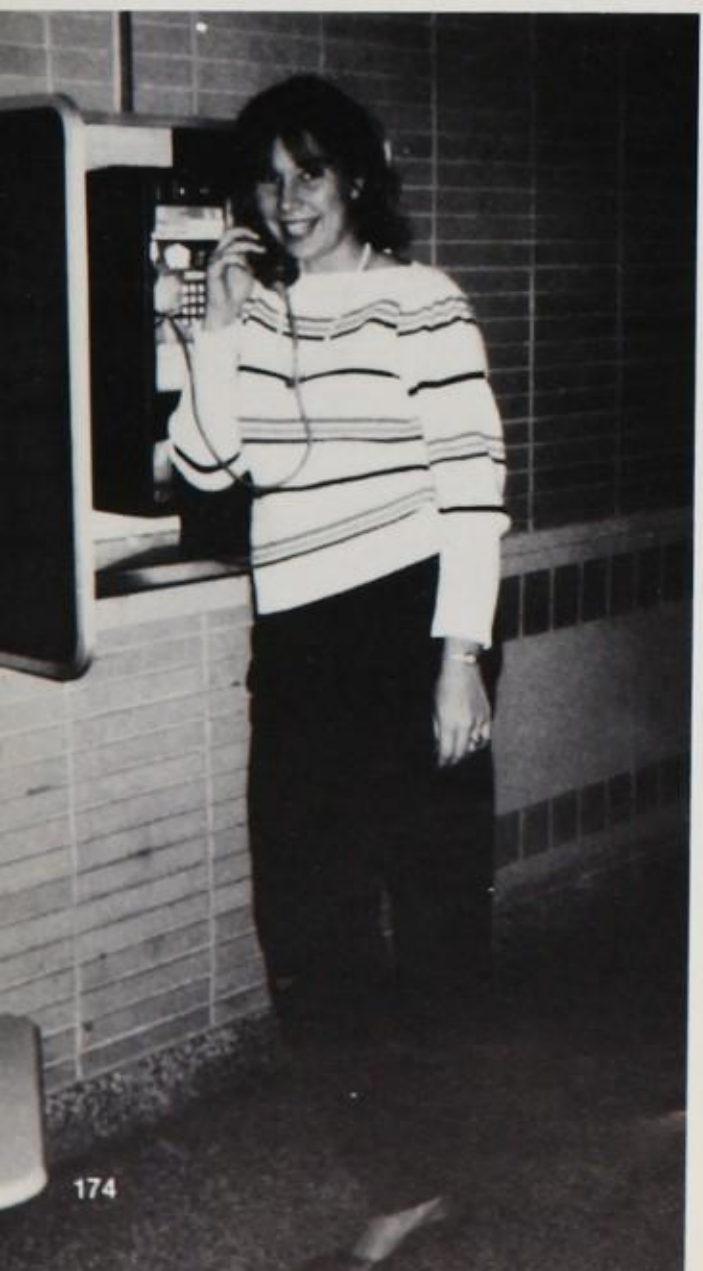

We could sit and talk forever
Gossiping of people we knew
Asking the question of the day
Who is going out with who?

It never seemed to change at all
We went to school and did our work
But when it came to the weekends
It was our time to go berserk!

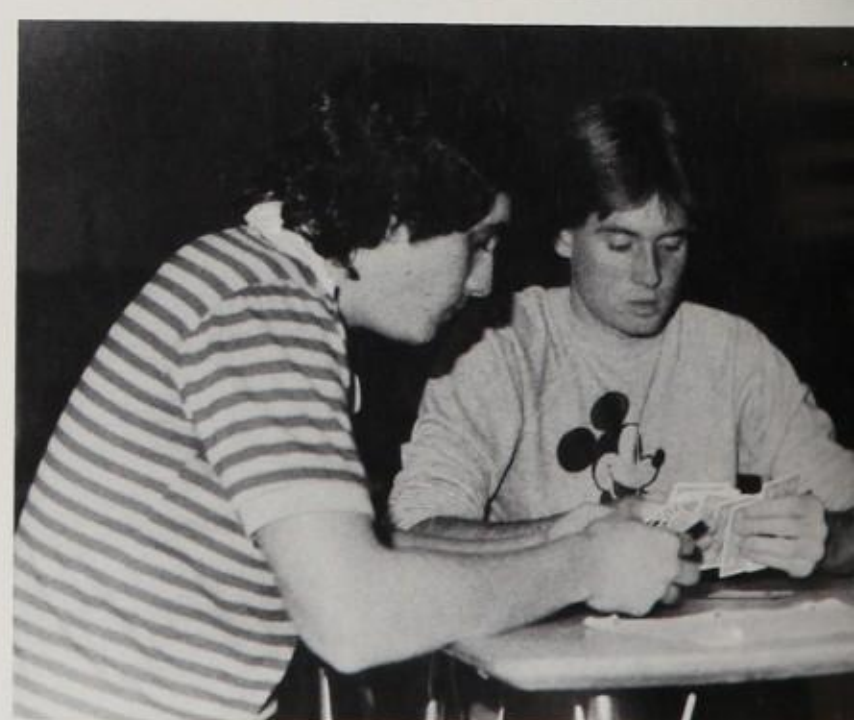

We've been together four years now
And we'll all go different ways
But who can forget the fun
Of our Berner High School days.

We would also like to extend our thanks to the many students, faculty, and staff who gave the '84 Wisanda that "Touch of Class."

Graduation is finally upon us. Together we have experienced the best years of our lives. We watched each other and ourselves grow and change. Berner High School has become an important part of each one of us, and hopefully Wisanda '84 will help us relive the good times we have had here.

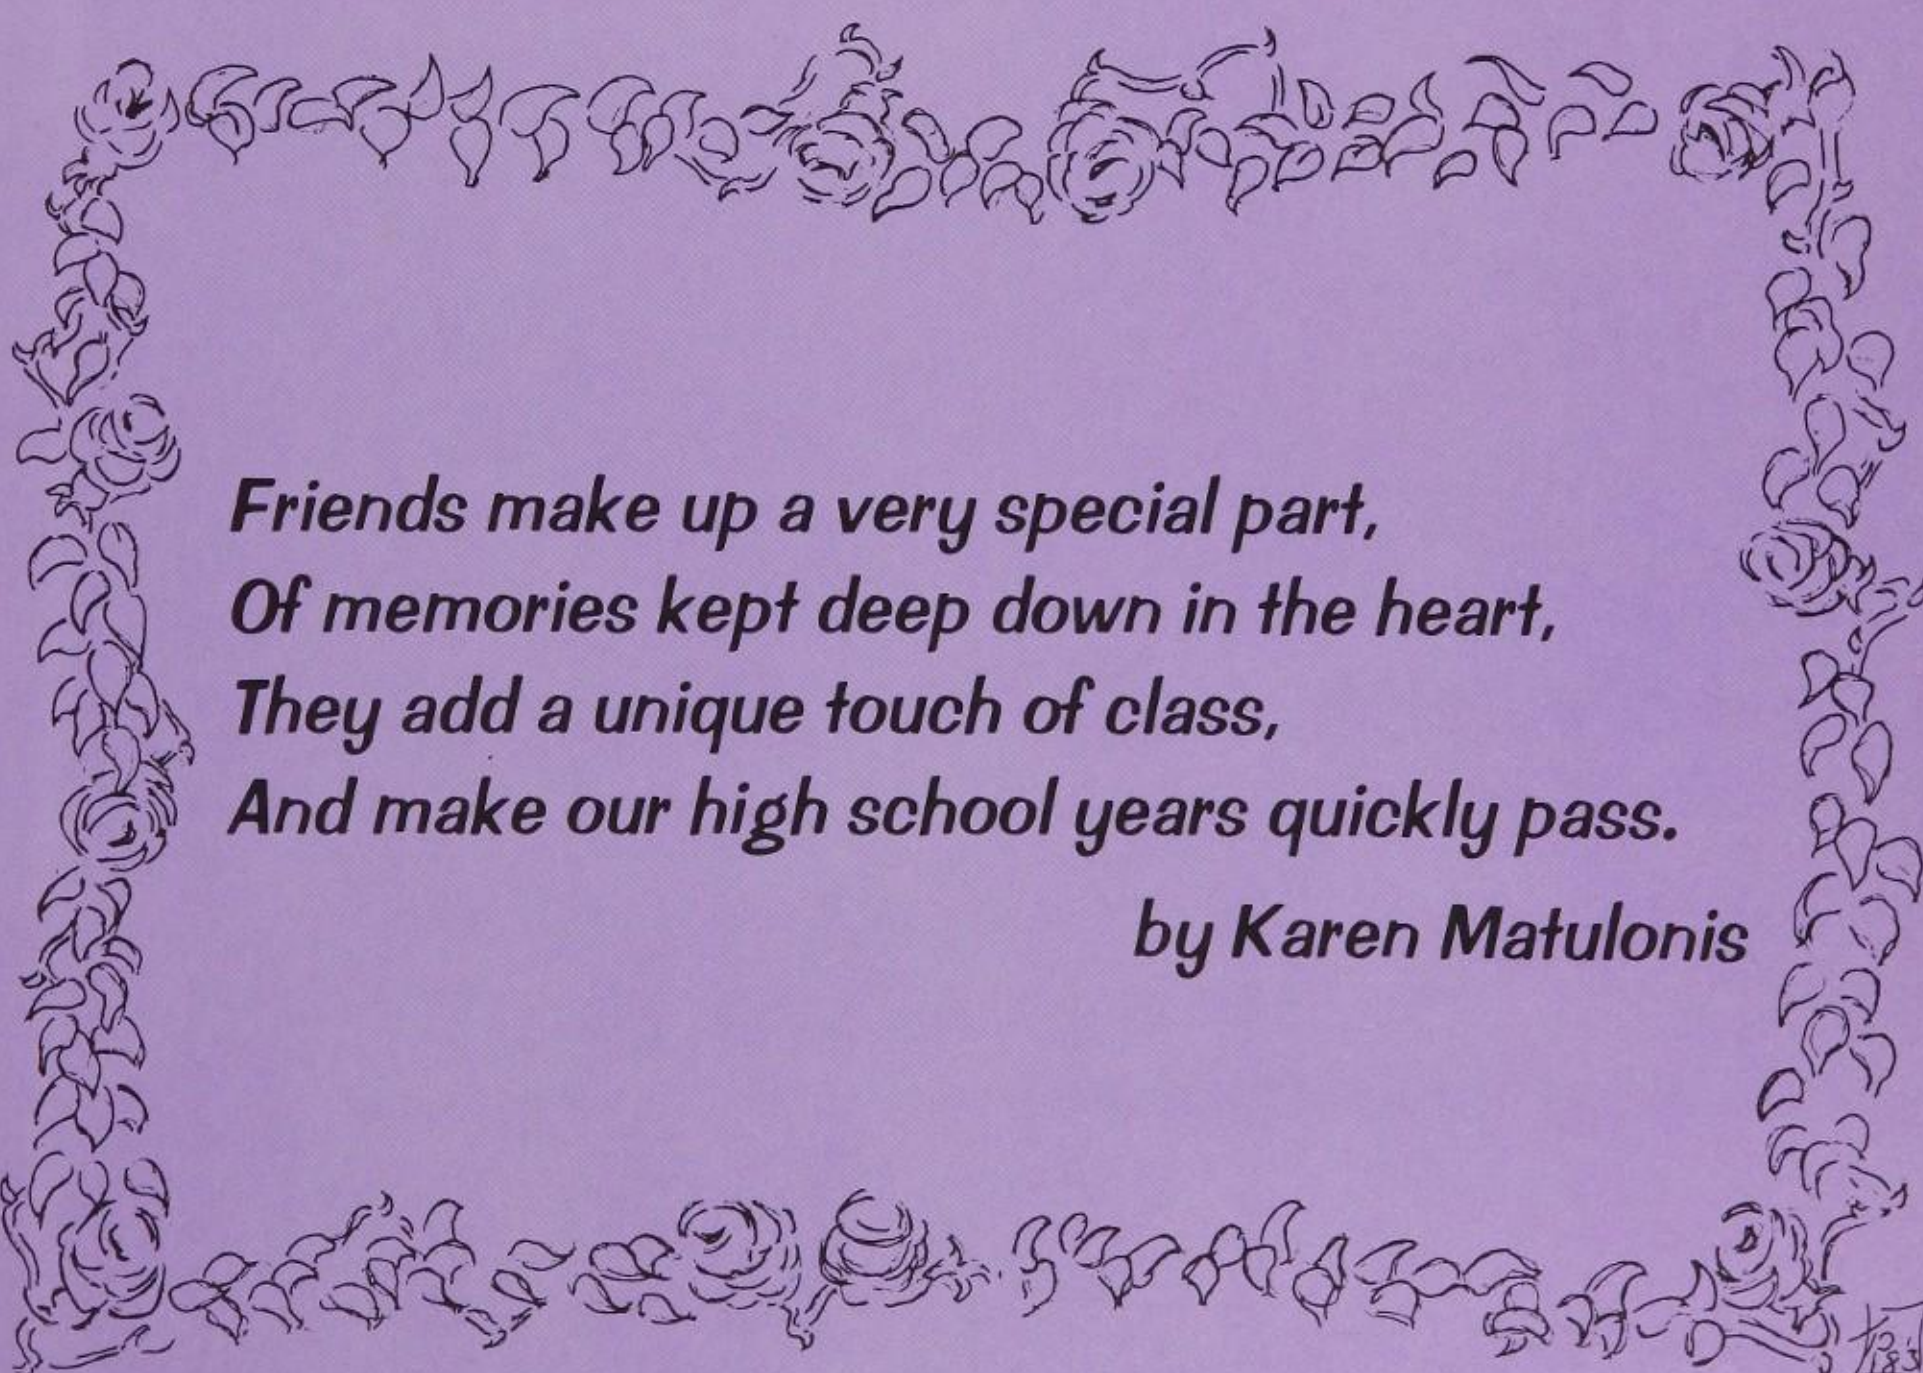

Producing a yearbook was no easy task. Many long afternoons and late nights were spent trying to meet deadlines. Seeing the final results made the hard work worth it. I would like to thank Mr. Flood for the time he gave to this production. Angela Giordano, our assistant editor, was an invaluable member of the staff. Her creative layouts and original ideas helped to bring everything together. I would like to express my gratitude for the staff members who worked towards making this book a success.

Our goal was to capture the uniqueness of our class. We are the class of '84, and there will never be another one like us. We brought a special touch of class to all we did, and this separated us from the rest. Although Berner has had many classes, and many more will follow, our class has left its mark.

Good luck to all of you in your future endeavors. Let Wisanda '84 keep your high school memories close to your hearts for years to come.

*Friends make up a very special part,
Of memories kept deep down in the heart,
They add a unique touch of class,
And make our high school years quickly pass.*
